As you may remember, the stated purpose of Good Shepherd Catholic Radio (Jackson Lansing Catholic Radio) is: "...to operate one or more radio stations to broadcast Catholic religious and educational programs aimed at upholding and strengthening the Catholic Faith; originate local programming focusing on local Catholic events; broadcast Catholic news of local, national, and international significance; and assist the Diocese of Lansing, parish schools, and catholic organizations with public service announcements both on the air and on our website."

Your board takes this mission very seriously; as a matter of fact we continue to meet every two weeks (every other Tuesday), as we have for the last two and a half years, in order to ensure the achievement of our goal, to bring Catholic Radio to the Lansing and Jackson areas.

As you may remember from our last newsletter, we were very disappointed to learn, that our application to purchase a Jackson radio station was not approved by the Federal Communication Commission. In spite of that disappointment we began working with a broker who specializes in radio stations. As a result of that contact, we are now in conversation with, but not yet negotiating with, the owner of a Lansing station. Please keep that intention in your prayers.

My wife Barb and I will be in Birmingham AL., attending a EWTN Radio Conference, from Oct. 10 to Oct 13. This annual event consists of forums and associated activities for those who are currently broadcasting, as well as those like us, who will sometime very soon be broadcasting the Catholic Radio message. Please take comfort in knowing that travel expenses, are personal expenses and not in any way using your donations. Between newsletters, please stay in touch with our progress by accessing our website www.gscr.org or www.jlcr.net and listening to our Saturday broadcast from noon to 1pm, on WLCM 1390 am.

A very important reminder of the importance of Catholic Radio:

A November 2010 survey of Catholic Radio Listeners, conducted by Immaculate Heart Radio revealed that:

- 98% of listeners reported Catholic radio helped them to learn their faith
- 94% Said it influenced them to be more spiritually engaged
- 31% Said it helped them to come back to the Church
- 69% are better able to teach their children the truths of our Faith
- 47% attend Mass more frequently
- 51% are more involved with, and more generous to, their local parish

NOTE: Immaculate Heart Radio is a 24 station network serving northern and central California, New Mexico, Reno, Salt Lake City and Phoenix.
